QA AUTOMATION PART

Automate the following using Gherkin* and the tech stack specified in the job description or your favorite one, in case none is specified:

1. Navigate to "http://blankfactor.com". Accept our policy.
2. Navigate to **Industries** and open the **Retirement and Wealth** section
3. Scroll down until the section "**Powering innovation in retirement services**" and copy the text from the 3rd tile in the section (**AI & Machine learning**) by hovering it with the mouse.
4. Scroll to the bottom of the page and click on the "**Let's get started**" button.
5. Once the page is loaded, verify the page URL and the title.
6. Print the text from the title.

Finally, share a link to a public repository containing the solution.

Prepare for a live coding session during the interview meeting.

Remember, this test includes a QA Manual test part.

* Gherkin is optional for the Junior level.
